

Edmonton Springs Golf Course **Open Tuesday, April 18**

We are pleased to announce that the course will opening on Saturday, April 15. There will be a Cross-over on Saturday (Apr 15) and Sunday, starting at 11 am and last tee time is at 12:45. To book for this weekend please call the Proshop at 780-962-6500.

As detailed in our [first newsletter](#) there is new management, [great rates](#) and many [course improvements](#). Improvements have been made to 6 tee boxes so there will be some short term adjustments. As the course is just emerging from winter we ask all players to treat the course gently such as staying on cart paths. The initial hours of operation starting April 17 will be from 9 am (may be frost delays) to 5 pm (last tee time for 9 holes). Our team is happy to be seeing our old friends and anxious to meet our 1st time guests.
