

Welcome to the 2026 Golf Season at Edmonton Springs!

It has been a challenging winter, but we are officially looking forward to a great season ahead. After a series of weather setbacks—from a late-fall freeze to the heavy snow and ice that caused our Events Tent to collapse—we are finally turning the corner. While the major flood on March 20th was a significant hurdle, we are happy to report that the water has receded. Our team is working hard to prepare the grounds, and we expect conditions to improve rapidly as the last of the snow melts.

Exciting Course Improvements for 2026

We are committed to enhancing your experience on the course. Here is what you can look forward to this season:

- **Enhanced Navigation:** A brand-new cart path leading directly to the 6 Tee Box.
- **Tee Box Upgrades:** Freshly renovated Tee Boxes on Holes 1 and 7.
- **Events Tent:** A fully remodeled Events Tent is in progress (stay tuned for more attraction updates!).
- **Expanded Practice Area:** A new Practice Tee Box on the driving range is scheduled to open soon, which will allow us to introduce more complimentary practice features.

- Natural Landscaping: We are adding dozens of new trees to create better separation between Fairways 2 & 3 and Fairways 4 & 5 as soon as the ground is ready.

We are still Offering the Deals to Our Supporters

A.. Save those golf receipts to earn 15% off of your next green fee whenever you return within 10 days for another round of golf.
